Top floor of old school house - lots of character. Two queer roommates seek third queer/trans positive please. We have one cat and one very well behaved dog. The room is small but there's lots of additional benefits including close to transit (Queen & King cars + Duff bus), dishwasher, hi -speed internet, laundry in apt., backyard, huge balcony that's like a 2nd living room in the nice weather, two great roommates who are respectful and neat but not uptight.

Utilities not included - they add up to just under \$100 a month overall.

Evenings best for viewing/meeting your future best friends.
